Come and play BASKETBALL
with TORBAY TIGERS

Over the past 40+ years Torbay Tigers Basketball Club has promoted this fast growing sport in Torbay and the surrounding area.

Anyone from the age of seven upwards, regardless of ability, faith, gender or race is welcome to join and play recreational basketball just for fun, or, move up to play the competitive game if they wish.

Quality Basketball Training for 7 years upwards

TORBAY TIGERS BASKETBALL CLUB is run by a dedicated team of volunteers who receive regular training keeping them up to date with the latest policies and developments within the game of Basketball.

Young people are given every encouragement to develop their skills by the staff in a safe, relaxed and well supervised environment.

The team of coaches is headed by former England Head Coach, Rick Wooldridge. They are normally recruited from within the club and include young players and parents who have been fully trained and have become qualified coaches, referees and table officials. We can train up anyone willing to give us their help and support.

The exciting game of Basketball was the creation of Dr John Naismith, PE instructor at Springfield YMCA, Massachusetts, USA, in 1891. It was played in a small hall with structural posts and played with a soccer ball shot into peach baskets, giving the name of 'post' to certain player positions and the name of the game.

It is the fastest growing sport in the UK.

The club currently has teams entered in the Exeter & District Association Mens Leagues 1 and 2 for 18 years and upwards.

At the younger age groups, under 18's and under 16's lads play in the Basketball England National League South West and we also have teams playing in South West Regional Leagues at Girls under 16, and Boys under 16, 14 and 12.

While there is a natural progression through the club by age, the choice of competitions that the teams are entered in depends on the availability of availability of players at each age group.

National League entries for the following season have to be with Basketball England by 1st June so by then we already have a basic idea of the composition of those teams, but we still could have an influx of new players joining during the summer.

As part of our search for new talent Torbay Tigers actively supports the local schools' South Devon Central Venue Leagues for school years 8 - 10. Some skilful young players at even younger ages find their way into the club's teams, joining from the age of 7 years

The TORBAY TIGERS Basketball Club meet regularly throughout the week at various venues catering for young people from the age of seven years upwards regardless of ability, race, faith or gender. Many young people come along for fun and recreation so progress through the club not only depends on a players ability and physical prowess, but also on the personal choice of the young person.

TORBAY TIGERS BASKETBALL CLUB was Founded in 1973 by teachers and pupils of Churston Ferrers Grammar School, a number of whom are still involved. The club now recruits from schools all over Torbay and the surrounding area.

In 2006 Tigers were awarded the national Clubmark status having met the demanding Standards set by our governing body, Basketball England, and Sport England. It currently has Three Star accreditation.
